COMPLAINT RESOLUTION AGREEMENT

Dated this 11 day of March, 2026 (the "Effective Date")

Pursuant to section 55(2)(a.1) of the *Health Professions Act*

BETWEEN

Dr. Michael S. Gallinger ("Dr. Gallinger")

---and---

**Ms. Linda Sahli, Acting Complaints Director for the College of Chiropractors of Alberta
(the "Complaints Director")**

BACKGROUND MATTERS

- A. The College of Chiropractors of Alberta or CCOA (the "College") is the regulatory body for the profession of chiropractic pursuant to the *Health Professions Act*, R.S.A. 2000, c. H-7 ("HPA"). The parties agree that for the purposes of this agreement, the term "College" shall include the College of Chiropractors of Alberta and all predecessor colleges under prior applicable legislation.
- B. On or about January 12, 2025, the Complaints Director received information from the Registrar concerning the conduct of Dr. Gallinger, specifically that he had not complied with CCOA's requirement for all regulated chiropractors to provide an updated criminal record check to CCOA. The Registrar provided five previous communications from the College to Dr. Gallinger regarding this requirement that spanned from April 17, 2025 to November 19, 2025. The Registrar also provided a copy of Dr. Gallinger's 2025 renewal declarations in which Dr. Gallinger declared that he was aware of the requirement and would fulfill the requirement to provide an updated criminal record check to CCOA by October 31, 2025, as a condition of the renewal of their practice permit for the 2025-26 practice year.
- C. Dr. Gallinger did not fulfill his commitment to CCOA, despite:
 - a. his declaration on renewal that he was aware of the requirement and that he would provide his criminal record check to CCOA on or before October 31, 2025 as a condition of obtaining a practice permit,
 - b. five reminders and communications about the requirement sent to him,
 - c. the information being posted on the regulated member's homepage between August and October 30, 2025 and included in the November 2025 Public Interest Alignment newsletter,
 - d. an extension granted to December 19, 2025, with notification that continued failure to provide the criminal record check may result in a referral to the Complaints Director.
- D. The Complaints Director treated the information as a complaint and initiated a complaint pursuant to s. 56 of the HPA.
- E. On January 15, 2026, the Complaints Director notified Dr. Gallinger of the Complaint and requested a response. Dr. Gallinger responded by admitting that he had not provided the criminal record check as

required and would take accountability for his unprofessional conduct. Dr. Gallinger initiated his criminal record check, and his criminal record check result dated January 19, 2026 was received.

- F. The Complaints Director believes that there is sufficient evidence of unprofessional conduct, and under the authority of s. 55(2)(a.1) of the HPA, the Complaints Director has proposed a Complaint Resolution Agreement (the "CRA") to Dr. Gallinger in an attempt to resolve the Complaint. Dr. Gallinger provided consent to proceed in this manner.

Dr. Gallinger's conduct, as described above, could be considered conduct that harms the integrity of the profession and could be considered violations of the following parts of the College's Code of Ethics:

CCOA Code of Ethics

Article C1: Support of Self-regulation of the Profession

Article C2: Co-operation with the CCOA
